 Time Morocco - 5

9.10-10.10

**Session 1 Foundations of patient safety**

*Session chair: El Adib AR*

9.10-9.40 How can we build a culture of safety in healthcare? Peckler B, New Zealand 

9.40-10.10 What are the key strategies to prevent medical errors? Vijayanand J, India 

10.10-10.20 *Webinar-Break*

10.20-11.50

**Session 2 Designing and implementing simulation training**

*Session chair: Chaieri A*

10.20-10.50 When simulation should and should not be in the curriculum? Bentalha A, Morocco 

10.50-11.20 How can we integrate simulation-based training into clinical education programs? Jansen M, South Africa 

11.20-11.50 Literature, simulation, and the pathway towards best practices in military medical training. Al Balawi I, Saudi Arabi 

11.50-12.00 *Webinar-Break*

12.00-13.30

**Session 3 Human factors and patient safety**

*Session chair: Nsiri A*

12.00-12.30 How do human factors influence clinical decision-making and patient safety? Denis O, France 

12.30-13.00 What strategies can we use to mitigate human errors in healthcare? Willet T, Canada 

13.00-13.30 What role do soft skills play in optimizing teamwork and communication? Fourtassi M, Morocco 

13.30-13.50 *Webinar-Break*

13.50-15.20

**Session 4 Innovation and future directions**

*Session chair: Chlyah A*

13.50-14.20 What are the latest innovations in healthcare simulation technology? Chidiac C, Lebanon 

14.20-14.50 How will simulation evolve the future needs of healthcare education? Bensouda A, Morocco 

14.50-15.20 The global consensus statement on simulation-based practice in healthcare: impact and perspectives. Maio Matos F, Portugal 

15.20-15.30

**Closing remarks**

Mouhaoui M, Morocco
